14th January, 1929

Mr. W. F. Osborn,
Westport, Conn.

Dear Mr. Osborn:

Mrs. Wood has just telephoned me about your letter of Saturday. It is our plan to be at your office about 10:30 Wednesday morning. If by any chance the weather is so inclement that I do not feel like driving down, I will take the train which, if I remember aright, gets into Westport a little after 10:30.

I trust that both points have been cleared up; especially the proving that one of the people(in 1902 II think)itwasathe sole heir of the father, who bought the property in the 70's.

Very truly yours,

Dear Mr. Osborne:

If everything goes all right, I am planning to bring Mr. Wyman down to see you this Thursday. He is the gentleman who wanted to look over the ground in reference to acreage.

Very truly yours,
